### SONGS FOR WHICH "MOM" SPEER WILL BE REMEMBERED

"Surely I Will" . . . . . Choir

This song has had the widest response of any song  
that "Mom" Speer sang. Wherever the "SINGING  
SPEER FAMILY" is known, this song with her  
singing the solo part will always be remembered.

“Victory Behind The Clouds” ..... Choir

The suggestion for the words of this song were found in the writings of Dad Speer after his death. He had written them during his last sickness. They were put into form by Rev. Rupert Cravens of Lawrenceburg, Tennessee. “Mom” Speer wrote the music. It represents one of the few and probably the finest of her work as a composer.

PRAYER ..... Dr. William Greathouse

For nearly a quarter of a century, Mom and Dad Speer sang this song as a duet. It has blessed and touched the lives of many. They know now how GREAT is this happiness!

The last album Mom Speer recorded contains this song. It, with many others, will continue to speak the lives of all who hear it. It belongs to the rich spiritual heritage she has left.
