

Won't We Be Happy

Denver Crumpler, J.R. Baxter, V.O. Stamps / Bridge Building Music, Inc.

Verse 1

Here we have sorrow, pain, grief, and care
When dawns that morrow no trials there

Chorus

Oh, won't we be so happy in heaven when we all get there
We'll meet many friends and loved ones
Now won't that be joy beyond compare
There will be no heartaches, no sorrow not any burdens to bear
We'll sing to the king, we'll make hallelujahs ring
When we all get there

Verse 2

Here we have weeping, loved ones have gone
No storms are sweeping, where morn shall dawn

Chorus

Oh, won't we be so happy in heaven when we all get there
We'll meet many friends and loved ones
Now won't that be joy beyond compare
There will be no heartaches, no sorrow not any burdens to bear
We'll sing to the king, we'll make hallelujahs ring
When we all get there
